

**REGULAR MEETING  
PUBLIC WORKS COMMITTEE  
JANUARY 9, 2018**

**ROLL CALL:**

Jake Pierce                      Issac Cisneros  
Richard Brown                 Russell Church

**1. PUBLIC WORKS UPDATE**

1. Repaired a water leak at Independence and River Street.
2. Trash levels were very high during Christmas and New Years. The landfill was closed for several days, and they filled 5 roll offs from the packer truck.
3. They have roads that need grading again.
4. The frost line is 8" in town and about 14" in Tenderfoot.
5. Russell and Issac had a meeting with Mr. Chaffin about the road between him and Red River Storage. There is some drainage problems he would address.

**2. RECYCLE UPDATE**

We are only recycling cardboard at this time. The other bins have been removed.

**3. STATUS ON DUMPSTER LID REPLACEMENT**

Issac received a bid for \$175.00 per set. He is going to order 25 sets to start replacing some of the broken bear proof lids. He is also planning in the new budget to order more complete dumpsters. Everything we have dates back to when we started our own solid waste.

**4. UPDATE ON STORAGE TANK PROJECT**

Russell said our attorneys have been communicating with the Jordans. They seem agreeable to selling the land needed. They will need to hammer out an agreement soon. Russell said we need to go out to bid on the project by April 1<sup>st</sup>.

Russell said we have made a counter offer to American Tower for the Verizon site. That should be settled soon.

5. There was some flooding in the Tenderfoot area from Pioneer Creek. There are a couple of issues causing the problem. When the ski area closes and opens the flow there is freezing, and when the ice builds to the bottom of some of the low bridges it starts overflowing into the street and private property. The Corp of Engineers recommends that the bridges be rebuilt at a higher level. That would be the homeowners responsibility, however Russell said there could possibly be some State funding for flood areas.

**MEETING ADJOURNED**

Respectfully Submitted,  
George Woerndle

**Town of Red River  
Parks and Recreation Cmmt  
Tuesday January 9, 2018**

**1. Call to Order**

**2. Roll Call**

Linton Judycki, Mark Martinez, Fred Northern, Jenna Grubbs

**3. Pickle Ball equipment has arrived and is currently set up in the conference Center. CC will be open throughout the work week and on Monday and Thursday evenings for community use. In addition to Pickle Ball the basketball goals are available. Cmmt is going to sponsor a Pickle Ball instruction night taught by Rebecca Pockrandt and hope to set up a league. Group decide to inform Miner of instructional night and ask that pictures and write-up go in the paper.**

**4. New Disc Golf signs are in and plans were set for drawing out each hole for graphics on signs. Group will meet throughout April to put graphics on signs with the goal of early may work on the Disc Golf course and sign placement.**

**5. Group reviewed early drawings of Dog Park fence placement for Council consideration. Linton agreed to draw fence on a Google Earth map for the council meeting. Group discussed gate and access issues for the proposed dog Park.**

**6. Adjourn**

**Town of Red River  
Economic Development Committee  
Lodgers' Tax Advisory Board,**

**Tuesday January 9, 2018**

**1. Call to Order**

**2. Roll Call**

Paulette Kiker, Karen Kelly, Courtney Henderson, Clay Robertson, Madelyn Loftin, Danielle Hollier, Jenna Grubbs.

**Special Report from the Questa Economic Development Director, Lindsay Mapes**

Ms. Mapes reported that the QED has been actively pursuing several avenues for assistance in converting empty properties in Questa to livable homes with rental possibilities to aid both Taos and Red River with their long term affordable and seasonal housing needs. This project was begun when RR Chamber and Econ. Dev met with QED in an effort to open Questa up as a housing resource.

Ms. Mapes requested assistance from RR in the form of a Housing Needs Assessment and point persons to communicate with throughout the process.

**3. Committee Reports**
