Hi Kim,

Here are the minutes from the Park and Rec. Meeting on May 10:

Those attended: Kelsey O'Rear, Jenna Grubbs, Nick Church & Linton Judycki

Mallette Park 5-Year Plan:

- Organized a volunteer day to clean-up Mallette Canyon Park
 - June 12th at 3:00pm and BBQ to follow
 - Kelsey will make flyers to post around town and on social media
 - Bring: working gloves, rakes, waders, shovels, hedge trimmers & other gardening equipment
 - Town is providing: trash bags, paint and paintbrushes, metal bins and chains for grills & will be disposing trash for us afterwards
- To Do List on volunteer day:
 - Creek clean-up (Jenna & Linton get approval from Forest Service)
 - Disc Golf Course clean-up
 - Bike Track improvements (Linton)
 - Gazebo by skate park needs to be taken down (put picnic table on concrete slab)
 - Grills- clean-up and possibly attach metal bin to grills for old charcoal
 - Bridge- sand and paint
 - Volleyball Court needs to be raked and add sand (Katie Pierce)
- Also, some other items we discussed the town could do for us in the park:
 - add dog poop bags around the park
 - line volleyball and basketball courts
 - replace basketball nets
 - attaching picnic table to concrete slab by skate park
 - NEW signs!- we need to start working on the wording for all the signs we want
 - rules, curfews, speed limit, no open container, etc.

Let me know if you need anything else... I've never done minutes before!
Hope you're doing good!

Thanks!

Kelsey L. O'Rear
